

CCCL FILM FESTIVAL 2021

Program and Activities

CCCL Film Festival

A platform for Thai youth and communities to share their stories of climate impact, resilience, inspiration, and innovation. Founded in 2019, CCCL aims to raise awareness about climate change through the power of short films and inspire action in Thailand and Southeast Asia. We offer a limited number of filmmaking grants and mentorship to young aspiring filmmakers.

CCCL 2020

- + **201 proposals** submitted to CCCL Film Grants
- + **180 submissions** to Short Film Competition from people of all ages, background and experiences in Thailand

Hear The Unheard

For
เสียงที่ไม่มีใครได้ยิน
เสียงที่ไม่มีใครได้ยิน

Thailand's first ever short film competition on climate change

Screening in ThaiPBS theater and in open auditorium with social distancing protocol

Discussion Panels

- + Gender and social inclusion in climate action
- + Role of media
- + Climate change awareness

Music collaboration

New rendition of Karen indigenous music as CCCL 2020 theme song 'Shaw Mee'

CCCL Film Festival 2021

“Making peace with nature is the defining task of the 21st century”

Antonio Guterres

Secretary General of the United Nations

#MakingPeaceWithNature

#สานสันติสู่ธรรมชาติ

2021 Mission:

- + Continue with short film competition and support aspiring young filmmakers with filmmaking grants
- + Step up activities: youth and community engagement, promoting climate change and climate film conversations, workshops, film tours in Thailand and Southeast Asian.
- + To be a destination for Thai filmmakers and Southeast Asian filmmakers to showcase their works and express their voices on climate change.

CCCL Program and Activities

We aim to support more young filmmakers. In service of our mission, the CCCL Film Festival team has planned activities including:

- + CCCL Events (Film screenings, Workshops, and Talks)
- + CCCL Film Grants & Mentorship Program
- + Student Ambassadors
- + Film Competition & Film Festival

CCCL Events

Film Screening + Talks + Workshops

- + Online Talks
- + Film screening with talk on climate change/filmmaking workshop in 4 provinces
 - + Sa Kaeo
 - + Chiang Mai
 - + Khon Kaen
 - + Songkhla

CCCL Film Grants & Mentorship

- + Offering financial support (up to 20 projects) for professional and non-professional filmmakers to make short films focusing on climate change.
- + 10 grantees with little or no experience in filmmaking will also be matched with film professionals to help develop projects in the mentorship program.

Student Ambassadors

- + Young Thais will develop artworks (video clip, painting, poem, etc.) with CCCL Staff
- + Artworks will be released on CCCL social media platforms
- + Student Ambassadors will also serve as a youth jury in the CCCL 2021 film competition.

Film Competition & Film Festival

- + The festival will accept short films from Thai filmmakers and filmmakers from other Southeast Asian countries
- + Cash prizes will be awarded for only Thai films in two categories: documentary and non-documentary short films (up to 15 minutes long).
- + 15–30 short films will be selected for screening at the festival in November 2021.
